## Principal's Message:

"Education's purpose is to replace an empty mind with an open one "And so is ours. We are going to close successfully another academic year. I'm proud of all the hard work of faculty and the students throughout the year. It is this journey to excellence that motivates us to carry on with our hard work. Though academic activities are our core focus, co-curricular carried out simultaneously. Here, we seek the opportunity to inform you about the wide spectrum of activities, which we organized for young ones.

Mrs. Bushra Latif

## Join Now! Transform Tomorrow

We firmly believe that the parents are their child's first and most important teacher. Parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in our school life. We are eager to work with our parent community in supporting their children in their education. We always strive to build strong parent teacher relationship which is very important for the academic success of our students.
