Director's Message:

The aim of the school is to educate the child, to develop his/her full potential physically, socially emotionally, spiritually morally and intellectually in order. In order to achieve the above, we aim to apply the international benchmarked curriculum as a guideline. All aspects of the curriculum will reflect the Islamic ethos. ISC aims to provide an environment where in attitude and values based on Islam Subjects taught at all help in language and skills development.

Principal's Message:

My commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals. Strives for the highest academic standards and discipline. We are committed to the improvement and growth of student community. We would like to see students to new heights and taste success in all their endeavors. We are convinced that education's purpose is to replace an empty mind with an open one. It is our hope when children eventually leave ISC, they will be confident individuals who can look back their schooling as a rich and rewarding time in their lives.
