5 QUESTIONS PARENTS SHOULD ASK THEIR CHILDREN ON THE WEEKEND TO ASSESS THEIR OVERALL DEVELOPMENT:

Physical Development:

- What physical activities or sports did you engage in this week?
- Did you try any new physical activities or exercises?
- How did you feel after participating in physical activity?
- Do you have any goals for physical development that you would like to work towards?
- Are there any challenges or concerns related to your physical health or activities that you would like to discuss?

Cognitive Development:

- Did you learn anything new at school or at any other educational activities this week?
- What was the most interesting thing you learned?
- How did you apply your problem-solving skills this week?
- Did you participate in any creative activities?
- What strategies did you use to improve your memory or focus?
